

DONATION FORM

How you can help WEST LONDON ACTION FOR CHILDREN

It is through your help that **West London Action for Children** has been able to continue its work with children at risk and their families in West London since 1917.

The majority of our funding comes from individuals, charitable trusts and companies. We receive no government funding. This year **we need to raise more than £400,000** to continue the work and to build on it. We hope that you will be able to help us by becoming a Friend or a Benefactor.

GIFTS

- **£10** pays for a parenting course handbook
- **£60** pays for a therapy session for a child who has witnessed domestic violence
- **£100** could help to develop a community-based group for adolescents
- **£150** towards our Family Support Fund provides needy families with necessities such as clothing, baby equipment, food grants and furniture
- **£500** provides a number of sessions needed with a family to help them develop parenting skills, manage a teenager's substance misuse or deal with a case of emotional abuse
- **£1000** would provide the costs of a parent participating in a 6-week Parenting Group

There is a **Standing Order Form** overleaf if you would like to donate on a monthly or quarterly basis.

GIFT AID

If you are a UK tax payer, **West London Action for Children** can claim the tax paid on your gift of money, however small, to make your gift even more valuable to us. For example, **every £10 you donate is actually worth £12.80** to us. All you have to do is complete the declaration overleaf and return it to us.

STOCKS AND SHARES

As well as existing capital gains tax relief, there is now income tax relief. A gift worth £1,000 to us could cost you as little as £400. Further information on this is available through the CAFCash website (www.CAFonline.org/ccs) or you may write to us for further details.

LEGACIES

Another way of giving to **West London Action for Children** is by a bequest in your Will. Such a legacy is free of inheritance tax. Please write or telephone the Administrator for appropriate wording or for further details.

Your support is extremely valuable to us. We would like to write to you from time to time to give you news of WLAC and our events, and to tell you of the different ways you could help. If you would rather not be contacted, please tick this box

West London Action for Children complies with the Data Protection Act and the information you have given on this form will be kept secure and treated confidentially at all times.
